

**PRR & VS GOVERNMENT DEGREE COLLEGE
VIDAVALUR, SPSR NELLORE – Dist., A.P.
(Re-Accredited with B+ Grade by NAAC)**

Specific Facilities Provided for Women

- **Common Rooms:**

The girl students have a waiting hall to stay at in case of any sickness or inconvenience. They are also provided free sanitary napkins.

- **Safety and Security:**

The college takes all the necessary safety measures to create a free and secured environment for the female students, lecturers and non-teaching faculty. We have a well-built high compound wall around the campus with a tall main gate. The discipline committee and the anti-ragging cell ensure internal safe keeping.

Existence of Women Empowerment Cell, Grievance Redressal Cell & Disha App:

Women Empowerment Cell, Grievance Redressal Cell are very active in the college. They organize many programmes by inviting experts from outside. The more the students attend these classes, the stronger they become in decision making, in facing the problems and in character building. The problems within their purview are immediately solved. The Disha App gives additional safety to the students from cultureless people.

Anti ragging Committee:

The college has constituted an anti-ragging committee to check ragging cases in the campus. It consists of a Convener and members. They supervise the classrooms and see that there are no issues.

- **Counseling:**

To nourish the adolescent female minds, the Women Empowerment Cell organizes frequent counseling sessions in groups as well as to individual girls. We also invite guest talks from eminent women to inculcate strong values, positive attitude and emotional intelligence among them.

Mentor - Mentee System:

One mentor for a group of students is allotted to supervise the study, progress and attendance. They will identify the problems of the students and get them solved. Moreover, they give counseling to the frequent defaulters.
