Remedial out comes

1. Remedial teaching class is meant to improve a learning skill or rectify a particular problem of area in a student.
2. Remedial teaching is identifying slow learners and providing them with the necessary help and guidance to help them overcome their problems, after identifying their areas of difficulty.
3. Slow learners performance could improve by repeat each learning point more than normally, by use of audio and visual aids, guide students to the main points of lessons and tests, use real-life examples, and deliver class lessons on study skills.
