#### **MECHANISM FOR REDRESSAL OF GRIEVANCES OF STUDENTS and STAFF:**

The students are the main stakeholders in any institution imparting education, and it's our endeavour to make all efforts to ensure transparency in all the activities at different stages. Taking this spirit in consideration the institute has decided to provide mechanism to students for Redressal of their grievances as under:

- The Grievances may broadly include the following complaints of the aggrieved students
  - a. Academic
  - b. Non-Academic
  - c. Grievance related to Assessment
  - d. Grievance related to Victimization
  - e. Grievance related to Attendance
  - f. Grievance related to charging of fees
  - g. Grievance regarding conducting of Examinations
  - h. Harassment by colleague students or the teachers etc.

It is good to air a grievance rather than to keep it bottled up. Protection of human rights is essential for all round development of an individual's personality to realize the primary needs of the students and staff and secure civil liberties for everybody, a grievance Redressed cell has been constituted .The cell is indented to find solutions for problems like sexual harassment –any kind of physical or mental harassment, complaints regarding class room teaching, class room management, completion of syllabus, teaching methods etc ,if and when they arise. The Grievance Redressal Cell convenes meetings periodically and takes steps to redress the grievance.
