Organized by

YRC & Red Ribbon Club

Blood Donation and Blood Grouping

Title of the Practice: Blood Donation and Blood Grouping

Goal: To create awareness regarding the blood donation, to encourage the rural youth to donate their blood, blood donation camp was organized in the college and nearby villages in association with Red Cross Nellore.

Objectives: Voluntary blood donation is perhaps one of the most perfect examples of altruism in action. The objectives of collecting blood through voluntary blood donation are

- Provide safe and quality blood and blood components collected from voluntary donors, round the clock, at affordable cost to the general public and free of cost to the poor.
- Promote awareness and education to the general public.

Importance of Blood Donation:

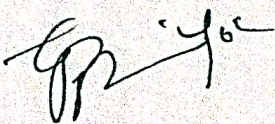

- For every three seconds someone needs blood transfusions
- One out of every patient admitted to hospital is in need of blood transfusions
- Your blood can save four people, not one person when its components are separated.
- Blood grouping is important to prevent blood-borne diseases like HIV, Hepatitis B, etc.

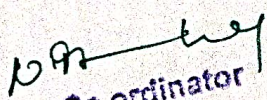

As a part of the Best Practice, PRR & VS Govt. College, Vidavalur, every year organizing Blood Grouping and Blood Donation Camps in the college campus and in the adopted village through NSS, NCC, RRC and YRC organization of the College.

Report:

On the occasion of National Voter's Day i.e., on 7th December 2023, Blood Donation and Blood grouping Camp was organized in the Campus. NSS unit of this college and Red Cross and Ribbon Club, Vidavalur Unit jointly organized with the cooperation of Red Cross, Nellore.

The students and the old students of this college were donated 65 units of blood samples and 40 students were tested their blood group.
