

MEGA PLANTATION

The college, in collaboration with the Department of Botany and NSS Unit, successfully conducted a mega plantation programme aimed at enhancing the campus greenery and promoting environmental awareness, aligning with the upcoming NAAC visit. The event involved the procurement and planting of a variety of indigenous saplings, fostering a sense of community among participants, and highlighting the institution's dedication to sustainable practices and holistic development. This initiative significantly contributed to the campus' visual appeal, environmental consciousness, and overall preparedness for the NAAC assessment.

NAAC- PREPARATIONS

In anticipation of the NAAC accreditation visit, our college undertook a series of developmental activities aimed at enhancing the overall campus infrastructure and aesthetics. Repairs were diligently carried out, rejuvenating the structural integrity of the buildings. A fresh coat of paint revitalized classrooms and common areas, contributing to a vibrant atmosphere. Rigorous cleaning drives ensured a sanitary environment, while landscaping efforts added a touch of natural beauty. These endeavors not only underscore our commitment to quality education but also left a positive impression during the NAAC visit, highlighting our dedication to providing an exceptional educational experience.

FELICITATION

Dr. A. Praveen Kumar, In-Charge and Physical Director at V.S University, Nellore, was honored by our college staff for his outstanding contribution in establishing a range of sports courts including Volleyball, Kabaddi, Shuttle, Badminton, Kho-Kho, and more. His visionary leadership has enriched our college with diverse sports facilities, promoting student engagement, teamwork, and physical well-being but also strengthen our college's prospects for NAAC accreditation through enhanced holistic development opportunities. His dedication resonates with our commitment to overall excellence.

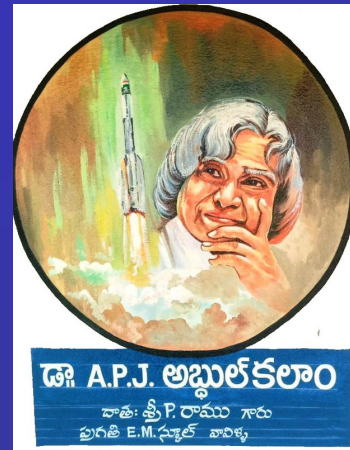

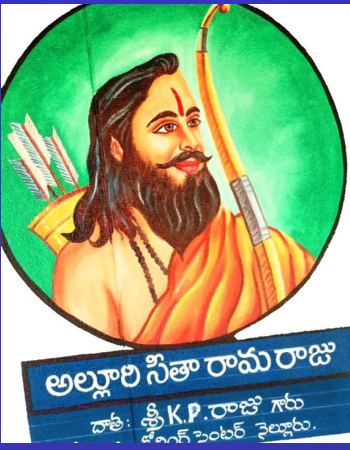

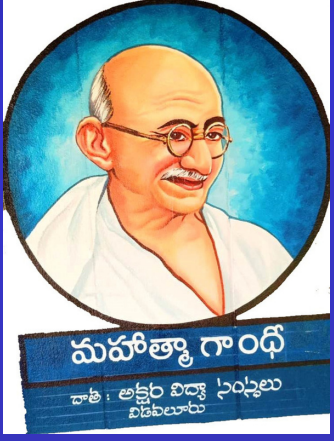

ADMISSION CAMPAIGN

Our college staff enthusiastically participated in an admission campaign within the college's vicinity, engaging with neighboring villages to disseminate information about our programs, scholarships, and admission procedures. Their efforts aimed to promote education, foster community engagement, and boost enrollment in the college.
