Closing Remarks: Sri M.John Paul

Vote of Thanks : Sri K. Balakoteswara Rao

Work Shop on e-Content development for Teaching & Learning Process

The workshop on e-content development for Teaching & Learning process was organized on 23-12-2017 as initiative of IQAC , in the college campus.

The workshop was inaugurated by Dr D.Giri Principal and Dr I S Chakrapani IQAC Coordinator , PRR & Vs Govt College and other faculty members.

Sri Sridhar Sharma , Lecturer in Physics invited the guests on to the stage and stressed on the importance of the team work and gave the program details.

Dr D.Giri Principal explained the importance of the e- content development for enriching the teaching process.

Dr D Sujatha Lecturer in Zoology acts as the Resource Person for this program and explains the meaning & standards of E-content, designing and development of Digital resources for Teaching and Learning.

The work shop witnessed 30 participants from different colleges of SPSR Nellore Dt.

It comprises of four sessions beginning with key note address on E-content development and the last session is followed by the valedictory.

Work shop Objectives:

- To promote generation of e-content in all subjects
- To Increase the students concentration on a particular subject
- To feel emotionally good with joy full learning and active learning
- To modify the content with the present time needs
- To use the content at any time , any where, any one in the corner of the universe.
- To train the teacher for developing the effective e-content and its knowledge and skills.
- To prepare Teaching material /learning resource materials
- To deliver content via various media such as radio , television , computer etc.
- To handle easy to the facilitators during the content delivery

The work shop was concluded with the closing remarks of Sri M John Paul , Lecturer in Botany , Vote of Thanks by Sri K.Bala koteswara Rao ,Lecturer in Mathe Matics.

Dr I S Chakrapani delivered the speech on E- content

Dr D.Sujatha Resource Person delivered a lecture on e-content

One-Day Workshop
on
Comprehensive Financial Management System
(CFMS)
for Non-Teaching Staff
on
22.12.2017

Internal Quality Assurance Cell (IQAC)
PRR & VS GOVERNMENT COLLEGE, VIDAVALUR
(Accredited by NAAC with 'B' grade)

A Report on One-Day Workshop on Comprehensive Financial Management System (CFMS) 22.12.2017

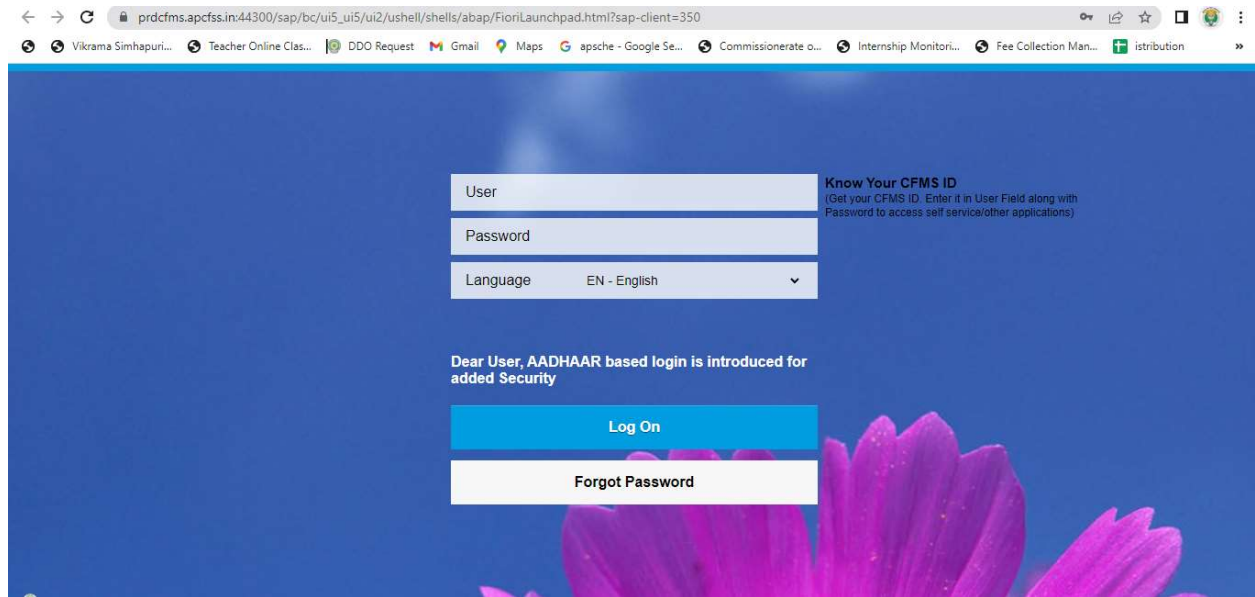

In view of the launching of Comprehensive Financial Management System (CFMS) by the Government of Andhra Pradesh, a one-day workshop on CFMS was conducted on 22.12.2017 by IQAC for the non-teaching of the college to create minimum awareness about it. However, the Staff of different departments of the State government will be provided training to prepare bills, audit and other modalities under this new system. Operating on SAP (Systems, Applications, Products in data processing), which has developed such a program for the government for the first time, CFMS will be helpful in Real Time Governance, bringing transparency in the system along with better accountability and efficiency.

Since the staff will be given a detailed training by the Department of Treasury, this workshop is a kind of introductory one for their benefit.

WORKSHOP ON NAAC ACCREDITATION & ASSESSMENT

The workshop on Revised Accreditation framework of National Assessment & Accreditation Council was organized on January 9th to 11th, 2019 as an initiative of IQAC, in the college campus.

The workshop was inaugurated by Chief Guest Sri. A. V. Ramana Rao, Principal and Dr. I. S. Chakrapani, IQAC Coordinator, PRR & VS Government College and other invited dignitaries.

Dr. R. V. S. Prasad, Lecturer in Statistics, in his welcome address emphasized on the importance of collaboration, need for networking for conducting such workshops and gave the program details. Principal and the staff honored the resource persons.

The Workshop witnessed 37 participants from different colleges of SPSR Nellore district. The workshop comprised of 4 sessions beginning with key note address on awareness of NAAC Accreditation and Assessment and the last session is followed by valedictory.

WORKSHOP OBJECTIVES:

- ✚ To Understand the Revised Accreditation framework
- ✚ To mentor the nearby colleges which are not accredited by NAAC
- ✚ To clarify the doubts of accredited colleges regarding the 7 criteria's
- ✚ To achieve self-reliability in preparation of Self Study Report effectively
- ✚ To share the experience of colleges accredited under Revised accreditation framework

Expected Outcomes:

- ✚ Clarity on preparation and submission of SSR
- ✚ Effective Documentation Skill
- ✚ Clarity regarding effective preparation and presentation during NAAC peer visit
- ✚ Quality Enhancement at the affiliated colleges

Process of Programme: Dr. I. S. Chakrapani, IQAC Coordinator addressed the following:

- ❖ Comparative analysis of old methodology and new Revised Accreditation Framework of NAAC
- ❖ Eligibility conditions to Higher Educational Institutions (HEI's) to apply for A&A process
- ❖ Instructions to the HEI's for submission of IIQA and the list of documents required and to be uploaded

- ❖ The segregation of quantitative and qualitative data
- ❖ Pre and post preparation required for A&A process
- ❖ Grading system adopted in Revised Accreditation Framework of NAAC
- ❖ A&A process with reference to online and onsite assessment
- ❖ Competency mapping of faculty with reference to allocation of subjects to be maintained
- ❖ Preparation SSR and quality indicator framework
- ❖ List of documents required for qualitative and quantitative metrics
- ❖ Preparatory Session on NAAC- SSR & Re-accreditation New Format
- ❖ Discussed on the all Metrics and Weightage distribution with reference to each criterion.
- ❖ Criteria 2 and criteria 5 plays a vital role in getting good grade
- ❖ How to manage & Consolidate data for the Phases of Pre & Post SSR submission

The workshop was concluded with the closing remarks of Smt K. Audishesamma, Lecturer in Botany, vote of thanks by Sri. Bala Koteswara Rao, Lecturer in Mathematics, Certificate distribution and National Anthem.

WORKSHOP ON ICT TOOLS IN TEACHING AND LEARNING

The workshop on ICT Tools in teaching and learning was organized on 25th February, 2019 as an initiative of IQAC, in the college campus.

The workshop was inaugurated by Chief Guest Sri. A. V. Ramana Rao, Principal and Dr. I. S. Chakrapani, IQAC Coordinator, PRR & VS Government College and other invited dignitaries. Sri. P. Sridhar Sharma, Lecture in Physics of PRR & VS Government College invited the dignitaries on to Dias.

Dr. A. V. Prasad, Lecturer in Economics, in his welcome address, stressed on the importance of teamwork, need for an interaction for conducting such workshops and gave the program details. Principal and the staff honored the resource persons.

The Workshop witnessed 43 participants from different colleges of SPSR Nellore district. The workshop comprised of 4 sessions beginning with key note address ICT tools in Teaching and learning and the last session is followed by valedictory.

WORKSHOP OBJECTIVES:

- To implement ICT tools in teaching and learning in classroom.
- To determine the challenges of using ICT tools in teaching and learning in the classroom among teachers.
- To identify that to what extent do teachers use ICT tools in teaching and learning in the classroom.
- To highlight the Role of ICT in 21st Century's in class room teaching

Process of Programme: Dr. I. S. Chakrapani, IQAC Coordinator described the importance and the uses of ICT in teaching and learning as follows:

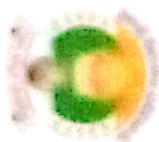

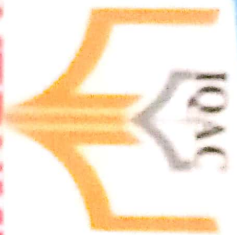

- ✦ ICT helps teachers to interact with students. It helps them in preparation their teaching, provide feedback.
- ✦ ICT also helps teachers to access with institutions and Universities, NCERT, NAAC NCTE and UGC etc.
- ✦ It also helps in effective use of ICT software and hardware for teaching – learning process.

- ✚ It helps in improve Teaching skill, helps in innovative Teaching. It helps in effectiveness of classroom.
- ✚ It also helps in improving professional Development and Educational management as well as enhances Active Learning of teacher Trainees.
- ✚ It is now replacing the ancient technology. As we know now-a day's students are always have competitive mind. So, teacher must have the knowledge of the subject. This can be done through ICT.
- ✚ ICT helps teachers in preparation for teaching. In order to introduce ICT in pre-service teacher education different methods and strategies are applied.
- ✚ Different tools are used such as word processing, Database, Spreadsheet etc.
- ✚ Various technology-based plans are used to help the teachers for their practice teaching.
- ✚ ICT prepares teacher for the use of their skills in the real classroom situation and also make students for their future occupation and social life.
- ✚ ICT used as an assisting tool for example while making assignments, communicating, collecting data & documentation, and conducting research.
- ✚ Typically, ICT is used independently from the subject matter.
- ✚ ICT as a medium for teaching and learning. It is a tool for teaching and learning itself, the medium through which teachers can teach and learners can learn.
- ✚ It appears in many different forms, such as drill and practice exercises, in simulations and educational networks.
- ✚ ICT as a popular tool for organization and management in Institutions. Teachers must provide technological support to learn using motion picture, animation, simulation training which helped student teachers to give model presentation.
- ✚ If the teacher is highly equipped with technology, the student will also be equipped with technology.
- ✚ It removes the traditional method of teaching and prepare teacher to apply modern method of teaching.
- ✚ ICT is playing an important role in student evaluation. ICT is store house of educational institution because all educational information can safely store through ICT.
- ✚ ICT helps Teacher to communicate properly with their students. So ICT bridge the gap between teacher and students.
- ✚ ICT helps Teacher to pass information to students within a very little time.

- ✚ ICT helps Teacher to design educational environment.
- ✚ ICT helps Teacher to identify creative child in educational institute.
- ✚ ICT helps Teacher to motivate students and growing interest in learning.
- ✚ ICT helps Teacher for organizational preconditions (vision, policy and culture).
- ✚ It is also helping Teacher for their personnel support (knowledge, attitude, skills).
- ✚ ICT helpful for technical preconditions (infrastructure).
- ✚ ICT helpful for designed learning situations which are needed for both vocational education and the training of future teachers. Teacher training institutes can develop their curriculum using ICT.
- ✚ With the help of ICT Teacher training institutes can develop communication network. Teachers learn most from their own networks (learning from others) with the help of ICT.
- ✚ The workshop was concluded with the closing remarks of Sri. Bala Koteswara Rao, Lecturer in Mathematics, vote of thanks by M. John Paul, Lecturer in Botany, Certificate distribution and National Anthem.

On

“SUSTAINABLE AGRICULTURE IN ANDHRA PRADESH”

“Sustainable agriculture is in fact the successful management of resources for agriculture to satisfy the changing human needs, while maintaining or enhancing the quality of environment and conserving the natural resources.”

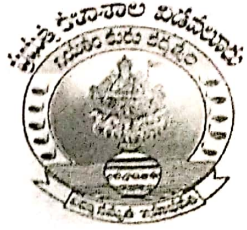

Sustainable agriculture systems are designed to use existing soil nutrient and water cycles, and naturally occurring energy flows for food production. Furthermore, such systems aim to produce food that is both nutritious and without products that harm human health. In practice, such systems have tended to avoid as far as possible the use of chemical fertilizers, pesticides, growth regulators, and livestock feed additives, instead relying upon crop rotations, crop residues, animal manures, legumes, green manures, off-farm organic wastes, mechanical cultivation and mineral bearing rocks to maintain soil fertility and productivity, and on natural biological and cultural controls for insects, weeds, and other pests.

Sub Themes:

1. Impact of climate change on agriculture, fisheries, forestry and allied activities in Andhra Pradesh.
2. Climate Risk, Vulnerability of livelihood and threat to food Security in A.P
3. Efficient Water Management System in A.P.
4. Methods and benefits of Organic Farming
5. Agribusiness Environment in Andhra Pradesh
6. Zero Budget Natural Farming
7. Intensive Farming and Dry Agriculture
8. Mixed and Multiple Agriculture
9. Plantation Farming and Crop Rotation
10. Co-operative Farming and other related topics

A Report on One-day workshop on **“Revised Assessment and Accreditation Framework of NAAC”**

17th Feb 2020

A one-day workshop on “Revised Assessment and Accreditation Framework of NAAC” was organized by IQAC, on during Feb.17, 2020. The inaugural session was graced by Dr.Ch.Krishna Murthy, FAC Principal, Rapur,. The Inaugural Session of the workshop started with the lighting the lamps by the dignitaries. Principal, teachers, coordinators and members of IQAC were present in the inaugural session.

The welcoming speech was addressed by A.V.Ramana Rao ,FAC,Principal. He welcomed the gathering by a Sanskrit shloka. He complemented NAAC and IQAC. for organizing the workshop. He briefly outlined the changes in the Higher Educational Institutions to enhance the quality of education. Also, he highlighted the role of NAAC in uplifting the quality of Higher Education in India.

The Inaugural speech was followed by the Key Note Address of Dr.I.S.Chakrapani, NAAC on the topic “Quality Assurance issues in Higher Education.” Starting from the establishment of NAAC, he covered all the important issues related to Accreditation & Assessment (A & A) in a very lucid manner. He mentioned that he was appointed as Director of NAAC on 20th June 2013. At that time, HRDC and UGC came together to ensure that more colleges and institutions of the country were covered under A & A program. He discussed various issues related to Higher Education in India pertaining to regulation and quality assurance. He mentioned that NAAC is the only agency in the country which performs institutional accreditation. In a brief note, he discussed the overall issues related to general, internal & external functioning of the A&A program. He also mentioned that way back in 2015, North-East India had higher percentage of national A & A than any other states.

He also discussed the general instructions for online submission of Institutional Information for Quality Assessment (IIQA) and listed the required documents to be uploaded. He also mentioned the changes of 21 points in RAF launched in July 2017. The revised A & A framework represents an explicit paradigm shift making it Information and Communication Technology (ICT) enabled, objective and transparent.

All the staff members prepared to SWOC Analysis for forth coming assessment.

The workshop ended with a valedictory session declared the end of the programme.

One Day Workshop on HCM Workflow for Teaching & Non-teaching staff

24-01-2020

A workshop on creating awareness on Human Capital Management was organized by the IQAC of PRR & VS Government on 24 January, 2020.

The workshop intended to create awareness on HCM workflow, which was expected to be launched in March 2020. This was in continuation of CFMS phase – I, Phase –II was introduced for easy management of salary bills, to reduce the human interference and to promote transparency in financial administration. This was called Human Capital Management.

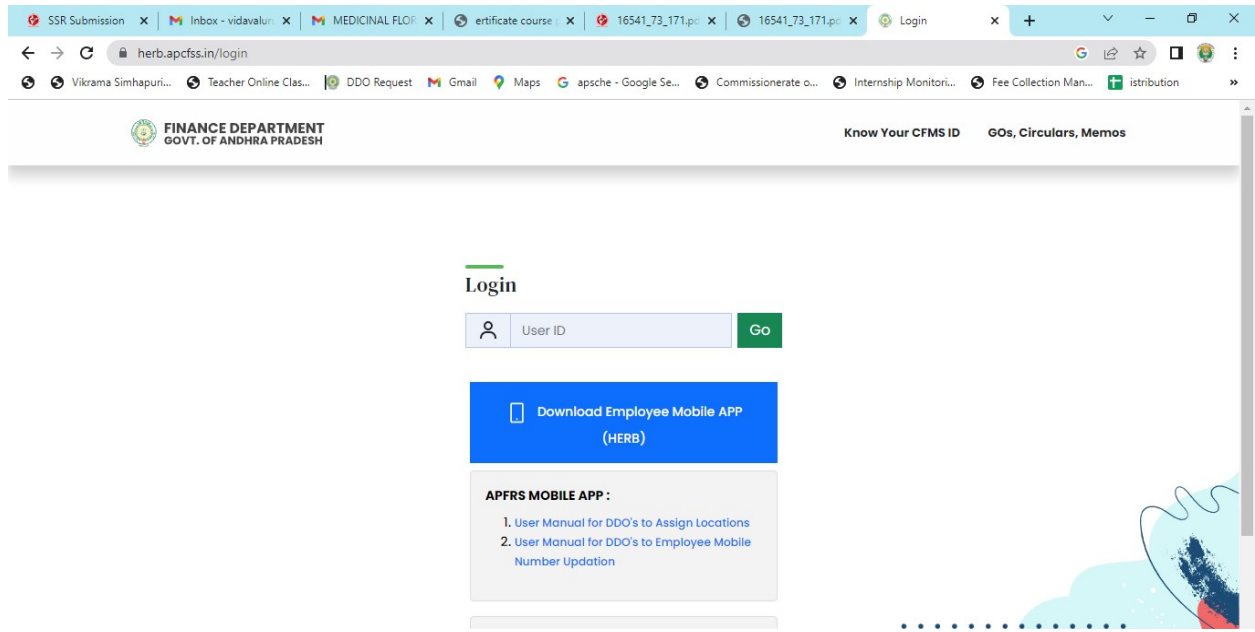

In order to equip the staff to prepare automated salary bills, IQAC conducted this workshop with the help of senior faculty member Dr.V.Srirama Murthy, Lecturer in English and Smt. M.Anuradha, Sr.Asst. who were trained for this purpose by the Govt. of Andhar Pradesh.

The session began at 10 am with an inaugural session by Dr.D.Sujatha, the IQAC Coordinator. She welcomed the gathering and introduced the concept. Sri A.V.Raamana Rao, Principal FAC, presided over the function and delivered the presidential address.

Later Dr.V.Srirama Murthy, Lecturer in English introduced the concepts of HCM. He emphasized on –

- Data driven decisions
- Improvement of precision in submitting bills and
- Improvement of regulatory compliance.

Following the first session, Smt. M. Anuradha, Sr. Asst explained the use of HCM software provided by Finance Department of the Govt. of Andhra Pradesh State.

WORK SHOP ON E-SR DEVELOPMENT

(An IQAC initiative)

27 January 2020

A workshop on Creating awareness on e-SR was organized by the IQAC of PRR & VS Government College on 27 January, 2020.

This workshop covered all information needed for a teacher to create an e-SR. The Government of Andhra Pradesh envisaged creation of e-service registers for all the employees for smooth management of Service Records. It is assumed that over a period of time existing physical SRs shall be replaced with e-SRs. Since the work flow is cumbersome IQAC conducted this workshop.

With this workshop, IQAC envisaged to motivate and guide our staff members to create e-SR. This workshop is the first step towards achieving this goal.

The session began at 10 am with an inaugural session. Dr. D. Sujatha, the IQAC Coordinator welcoming the gathering. Sri A. V. Raamana Rao, Principal FAC, presided over the function and delivered the presidential address. Later he delivered his talk on E-SR filling in the following manner.

Dr. I. S. Chakrapani, Lecturer in Zoology, explained the process flow as followed -

Importance of E-SR:

- Aimed at paperless governance and effective human resource management.
- Service records which were earlier documented in paper files will now be available online.
- For employees and heads of departments, the service book is a crucial document. All data associated with the service of government staff is recorded in the service book. Right from the date of joining of an employee to promotions, increment, transfers, departmental action, pay scale, leave and other service matters are included in the service book.
- In the event of shifting of an employee from one department to another, the service book would be sent online to the new office.

Category A: (Entry in service on or after 01/01/2021) e-Service Book is mandatory. The physical Service Book opened (if any) shall stand cancelled.

Category B: (Retiring on or before 31/12/2023) Physical service book shall be maintained.

Category C: (Employees not included in the A and B categories mentioned above) - Physical Service Book shall be continued along with the Service Book, until further orders issued.

Work shop on Digital tools for assessment

(An IQAC initiative)

27 January 2020

A one-day workshop on “Digital tools for assessment” was organized by IQAC, on during Jan.27 , 2020. The inaugural session was graced by Dr.Ch.Krishna Murthy, FAC Principal, Rapur,. The Inaugural Session of the workshop started with the lighting the lamps by the dignitaries. Principal, teachers, coordinators and members of IQAC were present in the inaugural session.

The welcoming speech was addressed by A.V.Ramana Rao ,FAC,Principal. He welcomed the gathering by a Sanskrit shloka. He complemented NAAC and IQAC. for organizing the workshop. He briefly outlined the changes in the Higher Educational Institutions to enhance the quality of education. Also, he highlighted the role of NAAC in uplifting the quality of Higher Education in India.

The Inaugural speech was followed by the Key Note Address of Dr.I.S.Chakrapani, on the topic “Digital tools for assessment” on Under-Graduate Choice Based Credit System: *A New Approach* In Place of Existing Credit Based Semester System(CBSS). This system Accelerates the teachinglearning process by i) Enabling vertical and horizontal mobility in learning ii) Allowing flexibility in curriculum design iii) Offering choice of courses from another discipline that is of interest to the student iv) Allows students to gain additional skills v) Creates an interdisciplinary perspective vi) Teacher Centric to learner centric He discusses about the nomenclature of undergraduate CBCS Courses that has core, elective and ability enhancement courses. In his discussion he spoke about the structure and credit requirements, credit allocation, evaluation and assessment in undergraduate curriculum . Post-lunch sessions were taken by Prof. K.V.S.Sharma on “Purpose of Assessment and Evaluation” and “Types of Assessment”. He discussed about concept of assessment and evaluation along with literacy and education. The speaker

also elaborated about Purposes of Assessment and Evaluation as: (A) Students & Parents point of view, (B) Teachers & administration's point of view (C) Higher authorities point of view and he also

Discuss on MOOCs on SWAYAM: Challenges for Evaluation. INTERNET is an admixture of computation and communication with a technological blend. It not only speeds up but also contributes to perfection in the skill of communication.

The workshop ended with a valedictory session. declared the end of the programme.

WORKSHOP ON

Creating MOOC Courses On SWAYAM Platform

18 February 2020

A workshop on *Creating MOOC courses on SWAYAM platform* was organized by the IQAC of PRR & VS Government on February 18, 2020.

This workshop covered all information needed for a teacher to create a MOOC course on her own like Introduction to Trends in Online Teaching, Scripting for MOOC and the online medium, Strategies for Developing Attractive Course content, and the production stages for MOOCs. The workshop also acquainted teachers with how to develop short courses for **Swayamprabha**, the group of DTH channels devoted to telecasting high quality educational programmes.

With this workshop, IQAC envisages to motivate and guide our staff members to create MOOC courses for national platforms like NPTEL and SWAYAM. This workshop is the first step towards achieving this goal.

The session began at 10 am with an inaugural session Dr.D.Sujatha, the IQAC Coordinator welcomed the gathering and introduced . A.V.Raamana Rao, Principal FAC, presided over the function and delivered the presidential address. The workshop was inaugurated by Dr.K.Sharma, Rtd. Prof. in SVU, Thirupathi inaugurated the workshop. Later he delivered his talk on Virtual Education. He also briefed about the structure of MOOC courses, the procedure for applying for a MOOC course, the sanctioning process and the production process and also the steps once the course is aired.

Dr. I.S.Chakarpani, Member in IQAC proposed the vote of thanks.

20 teachers from various departments attended the workshop and the workshop was a useful one to all.

PRR & VS GOVERNMENT COLLEGE :: VIDAVALUR
REPORT ON ONE DAY DISTRICT LEVEL SEMINAR UNDER DRC ACTIVITY

**TOPIC : " INDIA'S ENERGY CRUNCH - THE PROMISE OF
RENEWABLE ENERGY RESOURCES"**

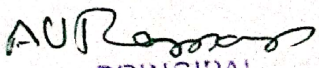

Date : 12.02.2020

One day District level Seminar was conducted in our college organized by Sri P.S. Sridhara Sarma, Lecturer, Department of Physics on 12.02.2020 on the topic " INDIA'S ENERGY CRUNCH - THE PROMISE OF RENEWABLE ENERGY RESOURCES". Two Students from Science stream and a faculty member from each college in the district participated in the program. Environmental Specialist, Innovator & Scientist Dr. A. Jagadeesh acted as Chief Guest and Sri V. Ramalingaiah, District Manager, NREDCAP Ltd., SPSR Nellore acted as Guest of Honor. The Program was scheduled in two sessions (i.e) F.N & A.N. In the Fore noon session, the program was inaugurated at 10.30 am and the Presidential remarks given by our principal Sri A.V. Ramana Rao. Later brief introduction was given about the seminar by the organizer. Key Note address was given by Dr. A. Jagadeesh, Director, Nayudamma Centre for Development Alternatives. In his words, he explained about the different renewable energy resources, the position of India in Solar, Wind, Biomass and Geothermal energy resources. After the key note address, Guest of Honor Sri V. Ramalingaiah, District Manager, NREDCAP Ltd., SPSR Nellore explained about the facilities and Subsidies provided by State Government in developing Renewable Energy Resources especially establishment of solar panels for households as well as irrigation purposes.

In the Afternoon Session, paper presentations were given by the faculty members and students from different colleges in the district. Resource persons were acted as judges for the technical session. Out of the paper presentations given by the students, First prize was awarded to A.Rajitha, III BSC (MPC), DK Govt. College for Women (Autonomous) and Second prize was awarded to P. Lokesh, III BSC (MPC) of our college. After the Completion of technical session, Felicitation was arranged for the guests. Certificates were distributed to the resource persons, students and the faculty members those who were registered. Finally, the program was concluded by vote of thanks.

To
The Principal,
Govt. Degree Colleges,
SPSR Nellore Dt.

Sir/Madam,

I am pleased to convey that a **District Level Seminar in Physics** will be conducted on "India's Energy Crunch – The Promise of **Renewable Energy Resources** " as part of DRC activity on 12.02.2020 (Wednesday) from 10.00 am to 5.00 pm at PRR & VS govt. college, Vidavalur.

I would like to inform you that **two students** can participate from each college along with **one faculty member**. Paper presentations from students are highly solicited. Best paper presentation will be awarded prize. Working lunch will be provided. **T.A will be given to the student participants only.**

Kindly confirm the participation of your team at an early date by phone/e-mail.

To: a.jagadeesh8@gmail.com

Sir,

We are happy to inform you that the Department of Physics is going to organize a Seminar under the aegis of district Resource Centre, Nellore during February 2020. In this connection, I request you to accept our invitation to be a resource person for this seminar. Please confirm one of the probable dates mentioned hereunder -

11/02/2020

12/02/2020

14/02/2020

Please note that the audience includes lecturers from various government & aided degree colleges and UG students from all disciplines.

Please let us know the topic of your choice to get the programme sheet & invitation ready.

Thanks and regards.

A. V. Ramana Rao, M.Sc., M.Phil., PGDCSA.

2. Lightening the Lamp by the President and Guests: (Dr. D. Sujatha and her team)

Prayer by :

1. K. Sowmya, II B.Sc.,
2. S. Swathi, II B.Sc.,
3. M. Bharathi, II B.Sc.,

3. President's Initial Remarks - Sri. A. V. Ramana Rao , Principal (FAC) , PRR & VS GDC, Vidavalur

4. About the Seminar – Sri. P.S. Sridhara Sarma, Lecturer in Physics.

5. Introduction of the Resource Persons- Dr. R.V.S. Prasad, Lecturer in Statistics

6. Brief Address by:

1. Sri. K. Madhu Babu
Principal, Govt. Junior College, Vidavalur.
2. Dr. I.S. Chakrapani
Co-ordinator, IQAC
3. Dr. A. Venkata Prasad
Co-ordinator, DRC

7. Key Note Address by the Chief Guest – Dr A. Jagadeesh
Director, Nayudamma Centre for Development Alternatives, Nellore.
Topic: Innovations in Renewable Energy (11.30am – 12.15pm)

8. Presentation by the Guest of Honour:
Sri. V. Ramalingaiah,
Dist. Manager, NREDCAP, Nellore
Topic: "Implementations of Renewable Energy Activities in Andhra Pradesh" (12.15 – 12.45 PM)

12.45 PM to 1.00 PM

Felicitations to the Guests by the Principal and Staff

9. President's closing remarks Sri. A. V. Ramana Rao , Principal (FAC), PRR & VS GDC, Vidavalur

1.00 PM – 2.00PM

Working LUNCH

PAPER PRESENTATIONS

2.00 PM to 3.00 PM (Post Lunch Session)

Paper Presentations by the Faculty Members

3.00 PM to 4.00PM

Paper Presentations by the Students

4.00 PM to 4.30PM

VALEDICTORY SESSION

1. Invitation on to the Dias – Dr. V. Reddi Rani, Lecturer in Chemistry

On the Dias - Sri A.V. Ramana Rao,
Principal (FAC), PRR & VS GDC, Vidavalur.

1. Dr. Sujatha, Lecturer in Zoology
2. Dr. RVS Prasad, Lecturer in Statistics
3. Dr. I.S. Chakrapani, Lecturer in Zoology
4. Dr. V. Sri Rama Murthy, Lecturer in English

2. President takes over

3. Feedback from participants

4. Issue of certificates for participants

DRC Seminar

on

"India's Energy Crunch – The Promise of Renewable Energy Resources"

12.02.2020

About the Seminar

- As per 2019 State of Renewable Energy Report, India targeted for RE : 175 GW by 2022.
- On good days, RE meets 12.5% and 7 % on other days of the total electricity utilization.
- There are Certain Challenges for Renewable Energy:
 1. Access to Energy
 2. Clean cooking energy
 3. Air Pollution
 4. Climate conundrum (Addicted to fossil fuels)
- To meet the above challenges, RE can solve it.

Current Status:

As on 2019 : In India, 35% of the total RE systems installed 17% generating

Total RE capacity was 130.68 GW (as on sep 2019)

In Paris climate change Agreement, India committed achieving 40% of total energy from non-fossil fuels.

India aims for (2027 Blue print):

275 GW –RE

72 GW - Hydro

15 GW – Nuclear and 100 GGW – other zero emission sources

As on Oct 2019, 175 GW (interim target)

(100 GW- Solar, 60 GW- Wind, 10 GW- Biomass & 5 GW- Small Hydro)

- > At Present in India, 10% of the total energy coming from wind power which is the fourth largest producer of wind energy in the world (1.5% of GDP of India)
- > India is the first country in the world (Ministry of New & Renewable Energy sources)

Aim of the seminar

Redefining the objective of Renewable Energy so as to meet the societal needs (Poor's Energy, clean air and climate change needs.

Why RE. needs for India ?

- > Power Shortage
- > Rising prices of oil & gases
- > Ecological Hazards
- > Ample resources & sites available
- > Abundant Sunshine
- > Government Incentive
- > Increased financing options

Dr. Anumakonda Jagadeesh obtained his Bachelors and Masters degrees in physics from Sri Venkateswara University, Tirupati, Andhra Pradesh, India, and his *Doctorate degree in Wind Energy from the prestigious University of Roorkee (now the Indian Institute of Technology Roorkee (IITR))*. He has been involved in teaching and research for the last 40 years. He founded 'Society of Science for the People' in 1973, an NGO which has been acting to formulate innovative science and technology programs and projects.

Dr. Jagadeesh widely interacted with several global and national organizations in Science and Technology projects; his programs attracted worldwide attention, especially in Appropriate Technology, Afforestation, Renewable Energy, Environment, etc. Dr. Jagadeesh also founded Nayudamma Centre for Development Alternatives in Nellore, Andhra Pradesh, India in 1994 which has been acting as a think tank in promoting Energy, Environment, and Appropriate Technology programs and projects. He has been Resource person to several organizations connected with Sustainable Development in India and abroad. Dr. Jagadeesh has traveled to over 50 countries and worked in Italy, Denmark, Sultanate of Oman, etc. He has held many important positions such as Director, Murugappa

Chettiar Research Centre, Chennai, India; Vice President, Subhash Projects and Marketing Ltd, Bangalore, India; Director, Infrastructure Consulting and Engineers Pvt. Ltd, Bangalore; and formerly Professor and Head, Centre for Energy and Sustainable Resources, R.M.K. Engineering

College, Kavaraipettai, Tamil Nadu, India. Dr.Jagadeesh was also Vice Chancellor (Scientific

Communications),Australian Institute of High Energetic materials, Clayton, Victoria, Australia. Dr. Jagadeesh's pioneering work won him several international and national awards including the prestigious Margaret Noble Foundation, Seattle Award for Research in Energy. He has membership in

several international and government bodies in India. It is rarely one finds an Innovator, social scientist and crusader for the promotion of Science and Technology for Sustainable Development, all blended into one.

Dr. Anumakonda Jagadeesh is also a member of several Important International and National Committees:

- *Network for Science and Technology for Sustainability,
- * American Association for the Advancement of Science, Washington DC, USA.
- *Served as Member, Media Lab Asia Programme, MIT, USA.
- *Engineering for Developing Communities, University of Colorado, Boulder, USA.
- *World Federation of Engineering Organization Energy Standing Committee Wind Task Force, Brazil.
- *Member, working groups of the UN Foundation for Sustainable Energy for All, which is based in Washington DC .The groups relate to supply chains & Entrepreneurship and energy & agriculture.
- *Served in 12 Committees of DNES (Department of Non-Conventional Energy Sources), Government of India.
- *Member Editorial Review Board of Science of International Journal of Green Economics and Production (IJGEP) of Target Journal (ISSN 1929- 2813)

Publications:

Dr.Jagadeesh published over 150 Scientific Publications in International/National Journals and presented at International Conferences. Over 6000 Comments and short articles were published in over 100 International Journals/Newsletters in the last 6 years.

Dr.Jagadeesh was invited to the Sustainable Energy for All Conference at UN Headquarters, New York in June 2015.

Concept Note:

The objective of this seminar is to create an awareness regarding the medicinal plants available in SPSR Nellore district and their uses. The students will know the bright prospectus of carrier in the field of medicinal plants, their cultivation, crude drugs, marketing strategies, Phyto-Chemistry and quality initiative for promotion of medicinal Plants.

Inaugural ceremony:

The inaugural session of the seminar started at 10:30 am and continued till 11:30am. It was started with lightning of the lamp by Sri A. V. Ramana Rao Principal and a prayer song by Final year BZC students. At the beginning of the inaugural session of the seminar, Sri M. John Paul, Lecturer in Botany, the seminar convener introduced the theme and relevance of the seminar. While welcoming the dignitaries and participants of the seminar, Sri. Vijay Mahesh, Librarian deliberated on the role of medicinal plants. In his keynote address, the Chief Guest Sri. A. V. Ramana Rao, Principal emphasised the role of Medicinal plants in human life expectancy. Dr. D. Sujatha, Vice principal, discussed on the pivotal role of this type of seminars and motivated participants and students to make the best use of this excellent opportunity to grasp the knowledge. Sri Bala Koteswara Rao proposed a vote of the thanks to the gathering.

Technical session - I:

Dr. I. S. Chakrapani addressed the gathering on the issues of medicinal plants and their use in Ayurveda, Siddha, Unani and homeopathy. He emphasised the need of cultivation of medicinal plants to supply the crude drugs for market specifications. His lecture was very informative for students that provided root causes issues regarding the unauthorised exploitation of these medicinal plants.

Smt. K. Audiseshamma garu, Senior Lecturer in Botany described about the medicinal plants and their uses available in the campus. She described that Medicinal plants are useful to keep on hand to treat common ailments. We can reach for certain medical plants to relieve headaches, tummy trouble and even irritation from bug bites. Plants can be consumed in teas, used as garnish, applied topically as essential oil or consumed as a pill. It's important to remember that you should always double check with your doctor before consuming or using anything new for your body. If you choose to grow some of these plants, remember to take proper care according to the plant's care guidelines and refrain from using any pesticides or

other harmful chemicals on your plants. We don't want any of those chemicals in or on your body. To help us, she described top medicinal plants, their notable health benefits and how to use them.

Lunch:

The lunch was enjoyed by all delegates, faculty, farmers and students.

Technical session - II

The post-lunch technical session i.e., Technical Session-II started at 2:00 pm and continued till 4:30 pm.

In this session, Dr. Reddi Rani, Head of the Department, Chemistry described the techniques involved in the extraction and phytochemical analysis. In her discussion she stressed the importance of medicinal plant in drug development is known to us and humans have used them for different diseases from the beginning of human history. She described about Traditional folk treatment from wild plants has always guided researchers to search for novel medications to develop healthy life for humans and animals. She also stated that some medicinal plants are still obscured within the plant which need to be scientifically evaluated. She also described that now a days we can analyse the phytochemical like alkaloids, cardiac glycosides, flavonoids, glycosides, phenols, resins, saponins, steroids, tannins, terpenoids and triterpenoids and quantitative phytochemical analysis for alkaloids, total phenolics, total flavonoids, tannins, saponins and ascorbic acid were made by using standard procedures.

Sri. John Paul M described the importance of HYDROPONICS CULTURE of Medicinal plants which help us in the commercial production of crude drugs in an organic way.

Dr. Sriram, Head of the department, English described about some medicinal plants mentioned in ancient English poetry.

Smt Sridevi garu, Head of the department described about the medicinal plants mentioned in Vedas, Upanishads including sanjeevini.

Dr. A. Venkata Prasad, Head of the Department, Economics explained about the cultivation of medicinal plants and market strategies of these medicinal plants. He described about the need for self-reliance by developing countries in the prevailing global economic recession as it affects research and development, production, procurement, distribution and consumption of pharmaceuticals. He also described about the hard-economic realities and the widening

economic parity between the high- and low-income countries have made the later solely dependent on the former for almost all of their pharmaceutical needs. He stated that, as a result, most, if not all of the developing countries import their medicines from their developed counter-parts, mostly at prohibitive prices and in most cases without regard to the endemic disease conditions associated with such developing countries. He stated that global statistics has revealed the continued growing economic importance of medicinal plants and plant-based pharmaceuticals which developing countries can harness to improve their pharmaceutical supplies that can impact positively on their healthcare delivery system. He described that most of these medicinal plants are abundantly indigenous in these developing countries that export them at very cheap rates to developed countries only to import pharmaceuticals made from them at very exorbitant prices that most often affect their foreign exchange.

Sri, Vasudeva Rao, Head of the department, computer sciences, described the usage of computers and their role in the pharmaceutical industries. He advised the students learning computer knowledge will provide employment opportunities in the field of pharmaceuticals.

Sri. Surendra, Head of the Department, Commerce described about the market strategies in relation to the import and export of crude drugs extracted from these medicinal plants.

Various participants presented their papers in relation to the medicinal plants.

Valedictory:

The University Level Seminar on “Medicinal flora of Nellore district” organized by Department of Botany was concluded with a grand valedictory. The valedictory session started at 5:00pm at the seminar hall in the presence of Sri. A. V. Ramana Rao Principal and he gave the Validatory speech and said thanks to all dignitaries at stage. Finally, certificates were distributed to all participants and paper presenters at registration table.

At the end on behalf of whole Institute, Sri John Paul M, Head of the Department, Botany proposed the vote of thanks to all speakers, guests, participants, faculty colleagues, staffs and students for their active participation in the seminar and making the programme a success.

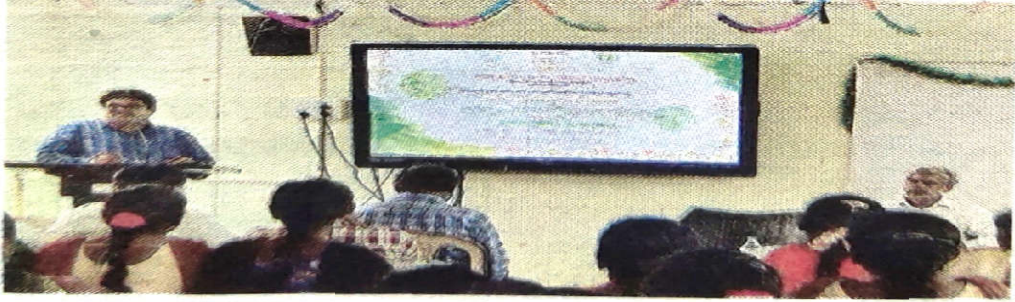

ఔషధ మొక్కలతో ఆరోగ్యం పదిలం

విడవలూరు, న్యూస్టుడే: ఔషధ మొక్కలు మానవాళికి ఎంతో మేలుచేస్తాయని, వాటితో ఆరోగ్యం చేకూరుతుందని వృక్షశాస్త్ర అధ్యాపకుడు ఎం.జాన్ పాల్ పేర్కొన్నారు. విడవలూరులోని ప్రభుత్వ డిగ్రీ కళాశాలలో శనివారం జరిగిన సదస్సులో ఆయన మాట్లాడుతూ మన పరిసర ప్రాంతాల్లో లభించే తులసి, నేల ఉసిరి, కలబంద, గుంటకలగర, ఉత్తరేణి తదితర మొక్కల్లో ఔషధ గుణాలు పుష్కలంగా ఉంటాయన్నారు. ఇన్ ఛార్జ్ ప్రొఫెసర్ చక్రపాణి మాట్లాడి ఆయుర్వేదానికి ఆధునైన భరద్వాజ మహర్షి చరిత్రను విద్యార్థులకు వివరించారు. ఈ కార్యక్రమంలో అధ్యాపకులు మహేష్, ఆదిలక్ష్మి, ఉదయగిరి జూనియర్ కళాశాల అధ్యాపకులు, విద్యార్థులు పాల్గొన్నారు.

Nellore

BRIEF REPORT

The seminar started with the invitation of guests on to the dias by Dr.I.S.Chakrapani, Lecturer in Zoology. Presided over by the Principal Sri A.V.Ramana Rao , the seminar started with prayer by Ms.Sowmya III BZC.

Sri A.V.Ramana Rao, Principal (FAC) addressed in brief about Aquaculture and its contribution to the growth of local communities.

Then Dr.D.Sujata, HOD, Zoology explained in brief the importance of Aquaculture in Coastal Andhra Pradesh, with special emphasis on Nellore dist.

Then the chief guest Dr.K.Ganesh, Asst. Director, the marine Products Exports Development Authority (MPEDA), Nellore gave an extensive lecture on the Diversification of Aquaculture in Nellore Coast and the entrepreneurial and employment opportunities for UG students. His lecture had been a scintillating one. Dr.RVS Prasad, Lecturer in Statistics interacted with a lot of interest. Other faculty members and students interacted with Dr.D.Ganesh with enthusiasm.

Later on Dr.A.Venkata Prasad, Lecturer in Economics presented his paper on 'Contribution of Aquaculture to National Income'.

Sri Maharshi, Technical Asst. MPEDA, Nellore spoke about a few techniques of farm management. Then, Sri A.V.Ramana Rao, Principal (FAC) gave his concluding remarks.

Dr.I.S.Chakrapani, Lecturer in Zoology, who was the organizing secretary, acted as rapporteur for the program.

Students from IIBZC, namely V.Sowmya, P.Swapna, T,Mounka and P.Nisha expressed their views about their studies in Aquaculture.

Dr.Ganesh was felicitated with honour.

The programme came to an end with vote of thanks by Dr.A.Venkata Prasad, Lecturer in Economics followed by National Anthem.

Report of the

National Workshop on Foldscope as Research & Educational Tool

organized by

Dept. of Zoology, PRR & VS Govt. College, Vidavaluru

sponsored by

Department of Biotechnology, govt. of India, New Delhi

25.02.2020

The Dept. of Zoology organized a one day national workshop on “Foldscope as Research & Educational Tool” on 25th February 2021. This event was sponsored by the Department of Biotechnology, Govt. of India, New Delhi.

The event was attended by Sri Madamanchi Pradeep, Head, Center for Applied Sciences, Govt. Degree College for Men, Srikakulam as the lead speaker.

Students invited the guests on to the dias. Prayer was performed by students. The program started with the initial remarks of the principal Sri A.V.Ramana Rao. He emphasized that low-cost tools are very much required for encouraging the study of core sciences and also for promoting scientific temper among the young generations.

Dr.I.S.Chakrapani, Organizing Secretary briefed about the programme.

Dr.D.Sujatha, HOD, Dept. of Zoology spoke about the need for research at undergraduate level. She said that tools like foldscope will be highly useful.

Then, Dr. Pradeep took the session. He explained in detail, the assembly of foldscope and its utility in research in the area of basic sciences. He demonstrated the assembly and used it for taking microphotographs. Students were spell bound.

Then foldscopes were distributed to student groups. Dr.Pradeep made them work with the assembly and take photographs of the miniature structures studied with the help of mobile. Students enjoyed a lot and learnt much.

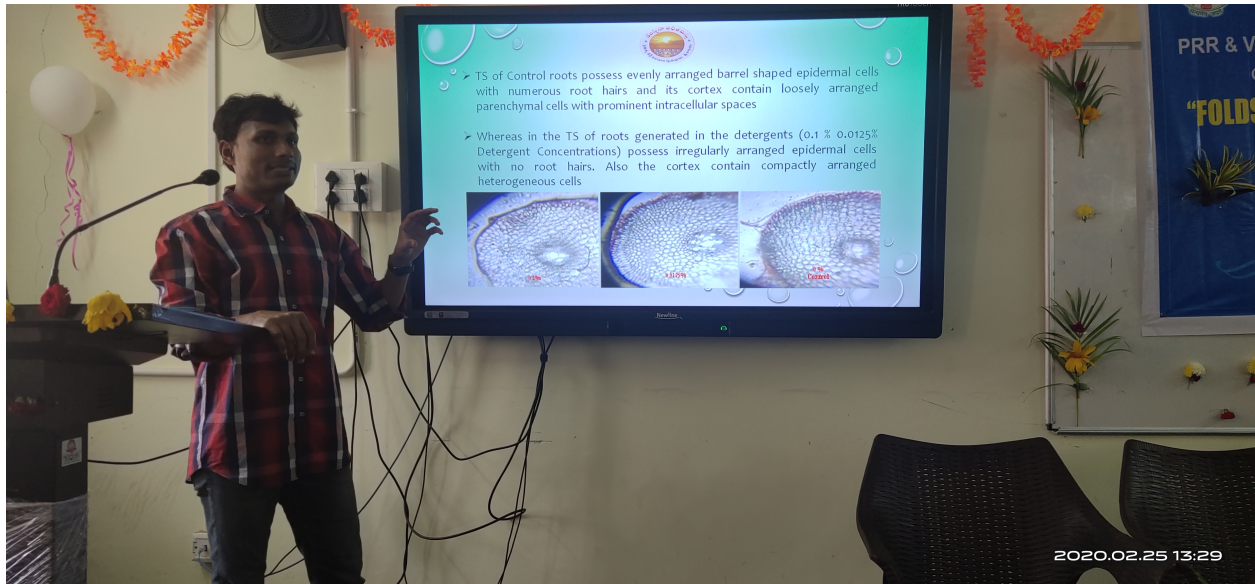

At the end of the workshop, Sri M.Johnpaul, HOD, Botany presented vote of thanks. The programme came to an end with the National Anthem.

ONEDAY WORKSHOP ON NAAC RECORDS

organized by

INTERNAL QUALITY ASSURANCE CELL (IQAC)

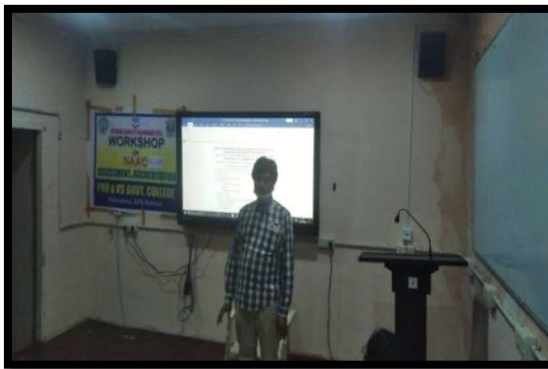

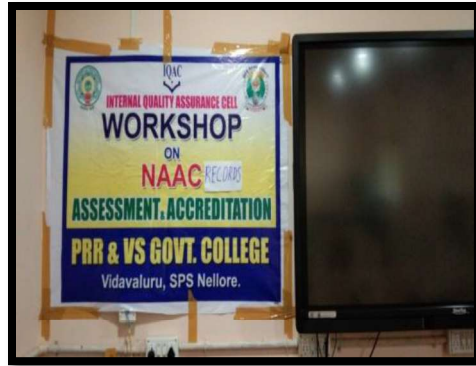

PRR & VS GOVT COLLEGE, VIDAVALURU

Date-16-12-2020

One day workshop on NAAC Records was organized on 16-12-2020 by Internal Quality Assurance Cell (IQAC) of PRR & VS Govt. College Vidavaluru. IQAC Co-Ordinator Dr.D.Sujatha in her welcome addresses highlighted the objectives of conducting workshop on NAAC Records and gave the programme details. The workshop was formally inaugurated by Sri A.V.Ramana rao, Principal of the college. Principal has stressed the importance of getting NAAC accreditation and grading. Teaching faculty and non-teaching faculty participated in this workshop. IQAC Coordinator spoke the Online process of the assessment and explained about the following NAAC Records.

- Annular curricular plans semester wise
- Teaching notes
- Teaching diary
- Course objectives and outcomes
- Certificate courses
- Feedback analysis
- Ward counseling
- Analysis of student performance
- Remedial coaching register
- Use of ICT register
- Assignment register
- Student seminar register
- Quiz & group discussion register
- Student study project register
- Field trip report
- MOU file
- Bridge course file
- Student progression to higher studies
- Teacher quality and profile

She clarified the doubts raised by the faculty at the end of the session. The programme concluded with the vote of thanks by Dr.D.Sujatha, IQAC Co-ordinator.
