National Seminar

on

Biotechnology in Health Care & Agriculture – Insights & Innovations

24.01.2024

Jointly organized by

Departments of Zoology

PRR & VS Govt. College, Vidavalur & MRR Govt. Arts & Science College, Udayagiri

One Day National Seminar on “Biotechnology in Healthcare & Agriculture, Insights & Innovations” was jointly organized by the Department of Zoology, PRR & VS Govt. College, Vidavalur, Nellore dist. and the Dept. of Zoology, MRR. Govt. Arts & Science College, Udayagiri, SPSR. Nellore Dist. on 24th January 2024.

Dr.T.Gopikrishna, Associate Dean, MGR.Govt. Agriculture College, Udayagiri, attended as Chief Guest. Dr. V. Krishnakumar, Rtd. Principal, Govt. Degree College, Naidupet attended as Keynote speaker. Dr. P. Subbalakshumma, Principal, MRR. Govt. Arts & Science Degree College, Udayagiri and Dr. B. Sujatha, Principal, PRR & VS Govt. College, Vidavalur graced the occasion as guests of honour.

Dr. Sainadh, Asst.Professor, Dept. of Biotechnology, Vikramasimhapuri University, Nellore, Sri A.Narasmhulu, Vice-Principal of the College, Sri K.C.Vikram, IQAC Co-ordinator of the college, Dr.n.Madhu, IQAC coordinator from PRR & VS Govt. College involved actively in the conduct of this event.

Dr.I.S.Chakrapani, PRR&VSGC and Dr. S.V. Nagendra Prasad from MRRGASC were the organizing secretaries of the Seminar.

Nearly 150 students, 25 faculty members, research scholars, and industry personnel participated in this seminar. About 60 abstracts were received and 18 full-length papers were submitted by researchers from different institutions across India.

The inaugural session of the seminar was started with students prayer and lightening of the lamp.

Then Dr. P.Subbalakshumma,Principal addressed the participants and deligates. In her speech she said that it was a wonderful event organized by the Departments of Zoology of the two

rural colleges. She also said that these types of seminars are very much useful to the student community for their higher education as well as in research fields. She commented, “The present topic is very relevant to the recent trends and applications in the field of biotechnology as well as in healthcare.” Dr. S.V.Nagendra Prasad, Organising secretary gave inputs about the objectives of seminar, and the backdrop in which the event was conducted.

Chief guest of the seminar Dr. T.Gopkrishna in his message said that now-a-days biotechnology had been the most powerful branch of science. He gave a succinct idea of the applications of biotech in healthcare & agriculture. He gave an idea about various research programs and funding opportunities for research in biotech.

Dr.V.Krishnakumar, the Keynote speaker was received well by the audience. He gave good examples which are beneficial to the mankind and agriculture sector with good illustrations. He elaborated different applications of biotech in daily life, and gave an idea of the future research trends.

In the technical sessions Dr.P.Anil kumar, Professor, Dept.of Pathology, MGR.Govt. Agriculture College, Udayagiri gave an interesting talk on pathogens, pathogenicity in agriculture, remedies and applications of biotechnology in agriculture field.

Then, Dr.Sainadh, Asst.Professor, Dept.of Biotechnology, Vikramasimhapuri university, in his talk discussed about the recent trends in biotechnology, new research inventions, role of biotechnology in improving aquaculture yield in Nellore district.

22 oral presentations went on simultaneously in the auditorium. Mr. Srikanth from Vikrama Simhapuri University received the best oral presentation award. Nearly 50 Poster presentations were received. Dr.V.Krishnakumar & Dr.S. B. Sainath acted as experts in adjudicating the best Poster. Dr. Rajarajeswari received the best poster presentation award.

At the end of the event, valedictory session took place. The IQAC Coordinators and vice-principals of both the colleges lead the session.

Dr. I. S. Chakrapani, Organizing secretary presented the seminar report. Certificates and mementoes were distributed to the delegates. The program came to an end with national anthem.

Inaugural Session

PROGRAMME SHEET

Invitation: Dr G.Padma Priya , Lecturer in Telugu

Inaugural Address : Dr B.Sujatha
Principal

Address By :

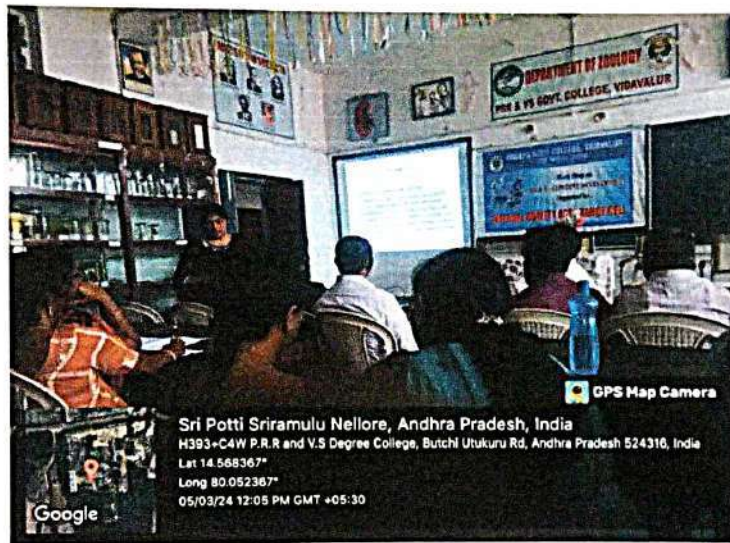

1. Dr K.Karuna Sri
Lecturer, D.K.Govt College for Women (A), Nellore
2. Dr I S Chakrapani,
Lecturer in Zoology , Addl. Coordinator , IQAC
3. Closing Remarks By : Dr N.Madhu, IQAC Coordinator
4. Vote of Thanks by : Sri K.Ravi Chandra Reddy
Lecturer in Botany

Work shop Objectives:

- To promote generation of e-content in all subjects
 - To Increase the students concentration on a particular subject
 - To feel emotionally good with joy full learning and active learning
 - To modify the content with the present time needs
 - To use the content at any time , any where, any one in the corner of the universe.
 - To train the teacher for developing the effective e-content and its knowledge and skills.
 - To prepare Teaching material /learning resource materials
 - To deliver content via various media such as radio , television , computer etc.
 - To handle easy to the facilitators during the content delivery
- The work shop was concluded with the closing remarks of Dr N.Madhu, IQAC Coordinator ,
Lecturer in Physics, Vote of Thanks by Sri K. Ravi Chandra Reddy ,Lecturer in botany.

Report of the

NATIONAL WEBINAR ON UNLOCKING INNOVATION: UNDERSTANDING INTELLECTUAL PROPERTY RIGHTS

07.05.2024

The Dept. of Zoology of our institution organized ‘**National webinar on unlocking innovation: understanding intellectual property rights**’ on 07.05.2024 in collaboration with Department of Zoology, GDC, Ramachandrapuram and IKP – Prime of Indian Knowledge Park, Hyderabad.

Dr. I.S. Chakrapani, Lecturer in Zoology, PRRVSGC and Dr. N. Srinivas, Lecturer in Zoology, GDC, Ramachandrapuram took this initiative as organizing secretaries, with the support of IQACs of respective colleges.

IKP Platform for Regional IP Management System came forward to interact with the registered faculty. A total of 204 participants registered from different institutions all over India. 126 participants were present in the live sessions.

In the inaugural session, Dr. K.C. Satyalata, Principal, GDC, Ramachandrapuram spoke about the importance of IPR in the context of present day research. Dr. B. Sujata, Principal, PRR & VS Govt. College, Vidavalur highlighted the need for getting a patent now-a-days.

Later, Smt. Anuradha Barua, Manager (Legal), IKP PRIME explained the sphere of activities of the organization.

Then, Smt. Harshada Wadkar, Senior manager, IKP PRIME gave a brief talk on ‘Demystifying Intellectual property: A Primer for Faculty’. She gave a good idea about the importance of having a primary idea of IPR for individual researchers.

And then, in the next session, Dr. Vithal Kumar, Sr. Manager, IKP Prime spoke elaborately about ‘Building IP frameworks for Educational Excellence’. He presented elaborately about various issues of patent rights important for academic & industry experts.

This was followed by session on ‘Ideas to Impact: Commercialization Success Stories’ by Dr. Manish Kumar, Sr. Manager, IKP Prime.

Then followed the Q & A session, in which participants followed very enthusiastically. A number of questions were raised and the IKP prime team answered patiently, enlightening the faculty. Dr. I.S. Chakrapani & Dr. N. Srinivas coordinated the session.

Providing the feedback, faculty from different institutions applauded the efforts of both the colleges in conducting the event.

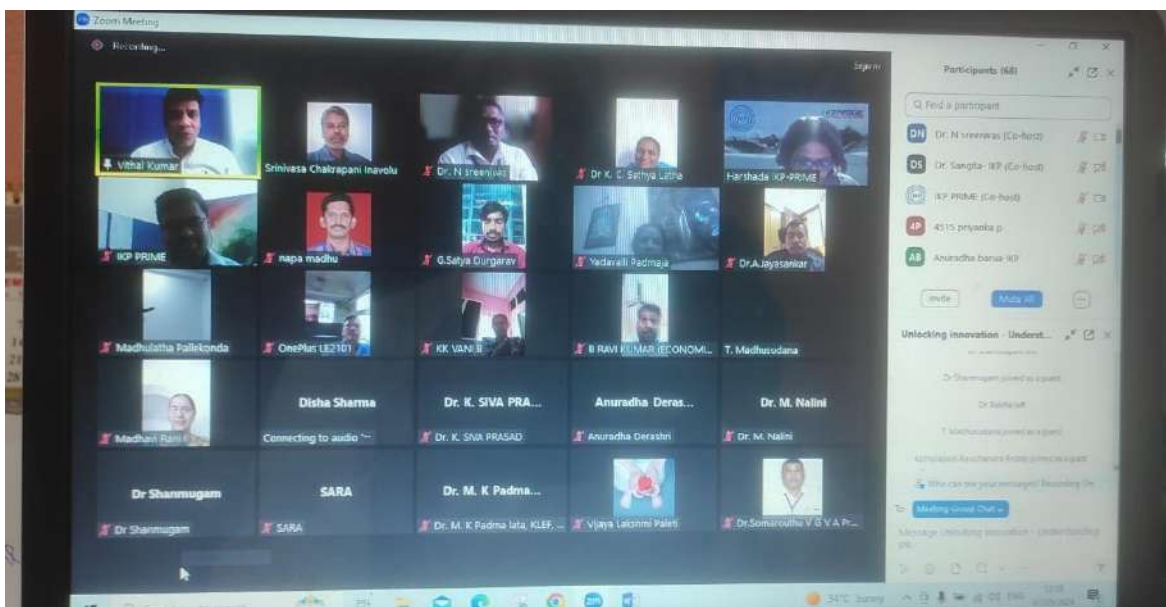

The webinar came to an end by presentation of vote thanks by Dr. N. Madhu, IQAC co-ordinator, PRRVSGC. Certificates were sent online to the participants.

Subject: Request for Permission to Organize Workshop on NLIST (INFLIBNET).

Respected Madam,

I hope this letter finds you in good health and high spirits. I am writing to seek formal permission to organize a workshop on NLIST (INFLIBNET) for the students and faculty of our college. The workshop is planned to take place on 01-10-2023, at the Commerce Digital Classroom in our college.

The objective of this workshop is to provide valuable insights into the NLIST (INFLIBNET) platform, which is a crucial resource for academic and research purposes. The workshop aims to enhance the participants' understanding of the platform's features, functionality, and its significance in supporting their academic pursuits.

Here are the details of the proposed workshop:

Event Title: Workshop on NLIST (INFLIBNET)

Date: 01-10- 2023

Venue: Commerce Digital Classroom,

Agenda:

- Introduction to NLIST (INFLIBNET)
- Demonstration of NLIST features and services
- Hands-on session for participants
- Q&A and discussion

We believe that this workshop will contribute significantly to the academic and research endeavors of our students and faculty. The Commerce Digital Classroom is well-equipped to facilitate an interactive and productive learning environment.

Thanking you madam,

Sincerely,

(LIBRARIAN)

Workshop on N-List Account Creation and Login

Step 1: Introduction to N-List and E-Resources: Begin the workshop by introducing N-List and explaining the benefits of accessing electronic resources. Highlight how these resources can support academic research, learning, and professional development.

Step 2: Accessing the N-List Website: Guide the students to open their web browsers and navigate to the official N-List website: <https://nlist.inflibnet.ac.in/>

Step 3: Account Creation:

Click on "Register": On the N-List homepage, students should locate the "Register" or "Sign Up" button and click on it.

Select Institution: In the registration form, students should choose their respective institution from the provided list.

Complete Registration Form: Students need to fill in their personal details such as name, email address, mobile number, institution's name, department, and university roll number (if required).

Verify Email: After submitting the registration form, guide students to check their email inbox for a verification message from N-List. Instruct them to click on the verification link to confirm their email address.

Create Password: Once the email is verified, students should set a secure password for their N-List account. Emphasize the importance of a strong password.

Step 4: Logging In:

Return to N-List Homepage: Instruct students to return to the N-List homepage.

Click on "Login": Guide them to find the "Login" button and click on it.

Enter Credentials: Students should enter their registered email address and the password they created during account registration.

Step 5: Accessing E-Resources:

Browsing Resources: Once logged in, students can explore the various categories, subjects, and resources available on N-List.

Searching for Resources: Show them how to use the search bar to look for specific resources, journals, articles, and books.

Accessing Resources: Explain that some resources might require additional credentials provided by their institution (such as library credentials) to access. Clarify that these credentials might be separate from their N-List account.

Step 6: Workshop Conclusion:

Q&A Session: Allocate time for students to ask questions they might have about account creation, login, or using the platform to access resources.

Provide Handouts or Resources: Distribute handouts or digital resources summarizing the account creation and login process. Include screenshots to aid in understanding.

Encourage Exploration: Encourage students to explore N-List on their own and make the most of the available e-resources for their academic and research needs.

Remember to adapt the steps and explanations according to the specific layout and features of the N-List website. Demonstrating the process in real-time using a projector or screen sharing can be helpful for visual learners.
